

IN SENATE OF THE UNITED STATES.

APRIL 7, 1848.

Submitted, and ordered to be printed.

Mr. UPHAM made the following

REPORT:

The Committee on Revolutionary Claims, to whom the petition and papers of Nancy Haggard were referred, report:

That an act of Congress, passed the 2d day of July, 1836, which directed the payment to the said Nancy Haggard, only daughter and sole heir of William Grymes, who was a captain in the army of the revolution, and who was slain in battle on the 1st of August, 1777, the principal sum due her for the seven years' half-pay of a captain, has been paid to her, and she now petitions for the interest due thereon. The committee do not consider the United States under any obligations, either legal or equitable, to pay interest on claims that have been permitted to slumber from the close of the war of the revolution to the year 1836, and therefore recommend the adoption of the following resolution:

Resolved, That the prayer of the petitioner be rejected.
